Warranty service is available by returning the Craftsman power mower to the nearest Sears store. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. **IMPORTANT:** This cutting machine is capable of amputating hands and feet and can injure eyes. Know how to stop the unit and disconnect the spark plug wire. Wear footwear that will improve footing. Vibration is generally a warning of disengagement. Disengage the tines, shift into neutral, disconnect the spark plug wire, and disconnect the spark plug wire. The tines may catch in the ground and if this occurs, allow the engine to stop. Look for this symbol to point out CAUTION! **BECOME ALERT!** YOUR WARNING: Engine exhaust, some of its fumes may be harmful to you. Tiller. It has been designed for your safety. Should you experience any problems, you should contact your Sears or other qualified Service Center. We have competent, well-trained technicians and the proper tools to service or repair your tiller. Please read and retain this manual. Your new tiller has been assembled at the factory. If a spark arrester is installed, it must be in the state of California, the above is California Public Resources Code. Other states may have similar laws. Federal laws apply on federal lands. These accessories were available when the tiller was purchased. They are also available at most Sears Stores. Locks, clips, and handles. **IMPORTANT:** When unpacking and loosening the handle lock, lever to move this will allow leaving the handle assembly in the highest position. Handle lock, push cables, hairpin, shift rod, shift lever, indicator, handle column, cables, cable clip. Attach this end to shift rod. Separate cardboard cover from shift rod. Lever indicator.
